Holidays Home Work

Class: I

Session (2025-26)

Dear Children

Greetings

Summer vacations are always exciting and overwhelming. Isn't it so? This is the time to take a break from the set routine, explore new interests, hobbies and reconnect with the loved ones.

During vacation you must engage in activities that stimulate your curiosity, broaden your horizons and expand your knowledge. Read books that ignite your creativity. Challenge yourself to learn something new, push your boundaries- whether it's learning a musical instrument, mastering a new sport or developing artistic skills, this is your time to shine and unlock your full potential.

Take care of your health. Go for a walk every day . Do exercise. Help your parents in household chores. Show that you care for them. Spend quality time with your grandparents. Listen to the beautiful stories of their past. Learn games that they used to play.

Above all, have fun! laugh, play, and enjoy the freedom that comes with this vacation.

A very creative and interesting holidays homework has been assigned to each one of you. Use your creativity to complete the projects given. Use eco friendly material. **USE OF THERMOCOL SHEETS OR PLASTIC SHEETS WILL NOT BE ACCEPTED AT ALL.** These projects will be assessed for internal grades and the best ones will be displayed in the annual exhibition.

Enjoy summer break to the fullest and bounce back to school with renewed energy, enthusiasm and a treasure trove of beautiful memories.

Happy Holidaying!!!

Principal

Science of Ocean

Welcome to our ocean adventure!

The ocean is a magical world full of amazing creatures, hidden treasures, and secrets waiting to be discovered. The oceans cover more than 70% of the Earth's surface and play a vital role in sustaining life on our planet. Known as the Earth's life support system, oceans regulate climate, provide food and oxygen, and support a diverse range of ecosystems. The science of oceans, also known as oceanography.

Through this project, we will also explore the impact of human activities on ocean health and the urgent need for sustainable practices to protect marine environment.

Get ready to embark on an underwater journey and discover the awesomeness of Ocean Science!

Happy milk day!

Let's celebrate the importance of this essential beverage

Today we remember the value of milk—a source of nutrition and happiness. Milk strengthens our bones and supports overall health. Milk is not just a drink, it is a healthy choice that nourishes us. Raise a glass to Milk day! It's always a good idea to have a glass of milk in different flavours (chocolate, strawberry, mango etc.) So to celebrate milk day, enjoy the various delicious dishes of milk (pudding, kheer, phirani etc.) Click pictures, make a Collage and write the recipe on A4 sheet. Send pictures with Class Incharge.

Father's day activity

“A Father is someone you look up to no matter how tall you grow.”

He doesn't tell you that he loves you, he shows you. He believes in us and has faith in us, even when we doubt ourselves. Father's day honours are not just a title but the love and care that makes a man a true dad. This day is celebrated for the heroes who guide us, protect us and love us.

- Make the beautiful crown and badge for your father using recyclable material.
- Make a beautiful card with the heartfelt message and make him feel special as he makes you everyday.
- Click pictures and make beautiful collage out of them and then turn it into a photo frame.

World Environment Day

“Nature is not a place to visit, it is home. It has enough resources for our needs but not enough for our greed. “

Let's unite for a green tomorrow.

- Go for a morning walk daily. Collect the things lying or litter around like leaves, twigs, branches, feathers and recyclable material like glass, cardboard or plastic bottles.
- Sort and categorise the material you collect and create a 3D model depicting
 - a tree or forest
 - scenery or landscape
 - A miniature eco system
- Protect the planet, preserve the future.

Reading is delight

- Read the given story book and write the title character and the moral value from the same story book on a colourful A4 sheet.
- Make a puppet of any two characters of the story .
- Create a short story on your own using those characters and make an attractive story book.
